

Copyright.h

```
graph TD; A[Copyright.h] --> B[string]; A --> C[../utils/json.h];
```

The diagram illustrates a header file dependency. At the top, a box labeled 'Copyright.h' has two arrows pointing downwards to two other boxes. The left box is labeled 'string' and the right box is labeled '../utils/json.h'. This indicates that 'Copyright.h' includes both 'string' and '../utils/json.h'.

string

../utils/json.h
